INTRODUCTORY.

Among the laws agreed upon in England by the Proprietary for the government of the Province of Pennsylvania, was one providing for a registry of marriages, births and deaths. By virtue of this law licenses were issued by the authorities. Although the Assembly frequently declared it "the opinion of this House that the Proprietary or his Deputy Granting Lycenses to marry is not Incident to any authority Granted them by the Royal Charter, nor warranted thereby, nor by any power that we understand they have; but the Granting of such Lycenses is Contrary to Law, & of an Evil Tendency;" the practice did not fall into total desuetude until some years after the formation of the Constitution of the Commonwealth of 1790. Four volumes of these records are in existence, covering a period of not quite forty years. What has become of the earlier registers and those also kept during the Revolution, it has been impossible to ascertain.

The license was issued from the Provincial Secretary's office, and the date prefixed to each name is that of the issuing the same, not that of the marriage. Ministers and others performing the ceremony sent forward the penal bond properly signed, whereupon the license was issued. Accounts were kept with these persons, and from the records we glean the following names. The reader may look, perchance, for some of the celebrated clergymen of the old-time; but many of these procured their licenses through the civil magistrate, and hence do not appear in the books referred to:

Severe laws were passed in the early days of the Province against clandestine marriages, and an act of the Assembly of 1683 proposed a law for "young Men's Marrieing at such an age." The issuing of a license was not obligatory, but was intended for those cases where the banns were not published or the marrying in church dispensed with, and as a protection to ministers and others performing the ceremonies. The forms of license issued and bond given (during the Revolutionary era) were as follows:

"THE SUPREME EXECUTIVE COUNCIL OF THE COMMONWEALTH OF PENNSYLVANIA.

[SEAL.] "*to any Minister:*

"WHEREAS, Application hath been made to Us by ———— to be joined together in Matrimony, and there appearing no lawful Let or Impediment by Reason of Precontract, Consanguinity, Affinity, or any just Cause whatsoever, to hinder the said Marriage, THESE are therefore to license and authorise you to join the said ———— in the Bands of Matrimony, and them to pronounce Man and Wife.

"GIVEN under the lesser Seal of the said Commonwealth, at Philadelphia, the ———— Day of ———— in the Year of our Lord One Thousand Seven Hundred and ————.

"ATTEST:

"KNOW all Men by these Presents, that we ———— are held and firmly bound unto ———— Esquire,———— President of the Supreme Executive Council of the Commonwealth of *Pennsylvania*, Captain General and Commander-in-Chief in and over the same, in the Sum of ———— Pounds, to be paid to the said ———— Esquire, his certain Attorney, Executors, Administrators, or Assigns, or his Successor in the said Office: To the which Payment well and truly to be made, we bind ourselves jointly and severally for and in the Whole, our Heirs, Executors and Administrators, firmly by these Presents. Sealed with our Seals. Dated the ———— Day of ———— in the Year of our Lord One Thousand Seven Hundred and ————.

"The Condition of this Obligation is such, That if there shall not hereafter appear any lawful Let or Impediment, by Reason of any Precontract, Consanguinity, Affinity, or any other just Cause whatsoever, but that the above mentioned ——— may lawfully marry; and that there is not any Suit depending before any Judge for or concerning any such Precontract; and also if the said Parties, and each of them, are of the full Age of twenty-one Years, and are not under the Tuition of his or her Parents, or have the full Consent of his or her Parents or Guardians respectively to the said Marriage; and if they, or either of them, are not indented Servants, and do and shall save harmless and keep indemnified the above mentioned ——— Esquire, his Heirs, Executors and Administrators, or his Successor in the said Office, for and concerning the Premises; and shall likewise save harmless and keep indemnified the Clergymen, Minister or Person who shall join the said Parties in Matrimony, for or by reason of his so doing; then this obligation to be void and of none Effect, or else to stand in full force and Virtue.

REV'D GEO. DUFFIELD TO SECRETARY MATLACK.

PHILAD'A, *Feb'y* 14, 1782.

SIR:—The Rev'd Mr. William Linn, of Cumberland County, is situated in a part of Country where several applications are made to him to marry by license, and as it is attended with great Inconveniency to apply to the prothonotary of the County on every such occasion, he wishes to keep some Licenses by him for the purpose. If you will be so kind as to furnish him by Mr. McClure, the Bearer of this, with any number not exceeding twelve, I shall be much obliged to you, & am firmly persuaded you may fully rely on his prudence in filling them, & making faithful Remittance.

I am, Sir, your most obedient humble Serv't,
GEO. DUFFIELD.

To TIMOTHY MATLACK, Esq., Sec'y to the Supreme Executive Council of Pennsylvania.

BISHOP WHITE TO PRESIDENT MIFFLIN.

1788.

SIR:—When I had ye Honor yesterday of stating to your Excellency my Objections to ye present System of Marriage Licenses, & you condescended to recommend to me ye promoting of a clerical Representation of ye Subject, I expressed my Doubts as to ye Expediency of such a Measure. My Reason is that I do not think ye Clergy, as such, materially interested in the correcting of ye Evil. We marry whom we please under no other Restriction than what should prevail in every Line of Life, if not invading of ye Rights of others. It is true a stranger may be imposed on by his imagining that a License from Government is something more than a blank Paper. But to prevent this, I have made it my Business to advertise every such of ye Church under my care of ye State of ye Case & of his own Responsibility.

It was as a citizen that I introduced ye Subject to ye Excellency, And ye Evils which as such I reprobate in ye present System are as follows:

1. The Practise of issuing Licenses is, as I apprehend, without any Foundation of Law. The only Passage in our Acts of Assembly that can be supposed applicable, & this can be so by Implication only, defined a lawful License to be one which contains ye Consent of the Parent or Guardian expressed in ye Body of it. But such a License I never saw, nor do not know of any Clergyman who has.

2dly. It seems to me (I speak it with submission) disreputable to Government to be in ye Exercise of an Act of Authority disregarded, (as far as I can hear,) & that with Impunity, by the most respectable Clergymen in this City, who instead of thinking themselves under any Obligation, either of Law or of Morals to ask for ye License, consider it rather as a Snare against which they are to be on their Guard.

3dly. The Licenses, as issued, are a most cruel Invasion of domestic Rights. For, as if it were not enough, that ye Citizen has ye Peace of his Family exposed to ye Acts of ye desperate Adventurer, ye Villain robs him of his Child under a warrant with ye Seal of ye State annexed to it, & signed by ye first Magistrate. I hope your Excellency will not mistake me. I am as much an Enemy to domestic Tyranny as to ye civil; And I know that there sho'd be a certain Age when young People may dispose of themselves without the Consent of their Parents. What I contend for is, that there should also be a Period, during which ye Parent should have an uncontroulable Authority over ye Child in ye Article of preventing Marriage.

As to ye Bond of £100 taken at the office, I think nothing of

it. To my certain Knowledge it has been taken, both before & since ye Revolution from persons not worth 100 pence; And besides, there are Doubts as to ye Recovery of ye Penalty. I should be sorry to be understood, in this Part of ye Subject, as reflecting either on ye worthy Gentleman who has, nominally, ye Administration of ye Licenses, or on his Deputy who is supposed to do his Business. On ye contrary, I declare that I believe ye Fault to be not in them but in ye System, which while it prevails, must involve ye present Consequences let who will have ye Administration. And besides, I have not seen above one or two Licenses during Col. Biddle's Secretaryship nor long before.

4thly. It may be of Importance to mention that ye Practice has been stigmatised as illegal by ye Council of Censors. I speak from Report, not having seen their Resolves on ye Subject. But my Authority is such that I cannot doubt ye Truth of it.

And now, Sir, if your Excellency is disposed to listen to my Proposal of a Remedy, it is as follows:

1. In regard to all Persons marrying agreeably to ye Notifications required by their respective religious Societies, ye Clergyman celebrating ye Marriage sh'd be responsible in a pecuniary, or if you please, on repeated Transgression, in a corporal Penalty. If meer publication be made sufficient, it will amount to Nothing; because it may be made (& is made in some Congregations) in such a Manner as to be a meer Evasion.

2dly. As to Persons who may not come within ye Rules of any religious Society, some Mode of Publication sh'd be provided for them. There is one indeed, but it is thought insufficient.

3dly. The License sh'd be considered as a Dispensation from ye Notoriety of Publication; and accordingly Government sh'd assume ye Responsibility. The dispensing Officer should have a Reward proportioned to his trouble & Risque. He sh'd be liable to a Penalty according to ye Damage sustained at ye Discretion of ye Court, within certain Limits. He sh'd, therefore, be ye Judge of ye amount of ye Security to be required: and if he take insufficient Bondmen, it sh'd be at his Peril. The most material Difficulty that can occur in ye above Plan is ye discretionary Power of ye Court. But I know no other Substitute for ye English Mode, which is ye taking of Oaths that there is no legal Impediment.

Your Excellency's desiring of me to state my Sentiments in writing, has occasioned you ye Trouble of reading this long Letter. I am not tenacious of any Advice I have presumed to offer; But am fixed in my knowledge of ye Fact, & I hope ye Freedom of ye Citizen will justify my declaring it, that ye pre-

sent Practice makes Government contribute to ye sacrificing of ye Peace, Honor & Fortunes of Families.

I have ye Honor to subscribe myself,

Your Excellency's very humble Servant,

WM. WHITE.

His Excellency THOS. MIFFLIN, Esq.

REPORT OF THE COMMITTEE OF COUNCIL ON BISHOP WHITE'S LETTER, 1788.

The Committee to whom was referred Bishop White's Letter to the President on Abuses often committed under Licenses for Marriage or other Pretence of Law, Report:

That having duly considered the Contents of the said letter and the Laws respecting Marriage in this State, they find those Laws inadequate to the Prevention of such irregularities as are justly complained of in the Letter, especially that Justices too generally neglect to publish Notices, as by law directed, previous to their joining in Marriage such persons as apply to them, for that purpose. Your Committee, therefore, submit to Consideration the following Resolve:

Resolved, That Council will recommend to the Legislature to enact a Law which may be more effectual than former Laws have proved, to prevent clandestine and disorderly Marriages.

BISHOP WHITE TO GOVERNOR MIFFLIN.

Dec. 22, 1790.

SIR:—In compliance with your Excellency's Intimation, I am emboldened to lay before you briefly, the substance of what I formerly delivered to you more at large, on the present State of Law and Practice on ye subject of Marriage.

The objections which I had the Honor to state to you against ye Marriage Licenses were, that it is a taking of Money out of ye people's pockets, without even ye Colour of Law, that it had been stigmatized on this acc't by the Council of Censors; and that to my certain knowledge, it prostitutes ye Chief Magistrate's Name & invades Domestic Rights by the sanction it gives to clandestine Marriages.

It is true, the Abuse is considerably lessened by ye intire Neglect which is shown the License, by ye greater number of the Clergy of all Denominations, who depend on their own Precaution against what they think the Snares of ye governmental License. But I submit to your Excellency whether it be not a great Evil to leave Matters on this Footing.

It is now so well understood that no Man takes out a License

but either thro' Ignorance or for a cover to an illegal Transaction, that we may presume the Doing without them will more and more prevail. It must be obvious to every Man how much this subjects the Happiness of families to the sudden Determination of very young People. Under such a Dispensation from all preparatory Measures would it be surprising to hear that a Girl, of the age at which Matrimony may be contracted, were induced by a Toy or by a Sugar Plumb, to put an artful man into ye possession of a Fortune, out of which he would only have to pay £50 for ye Irregularity of ye Manner. Impositions may happen far short of this, yet very distressing to Families and ruinous to the Peace of ye Parties.

So far as ye Clergy in particular are concerned, it subjects ye conscientious to great Difficulties; It gives those of ye opposite Description unbounded License, and it subjects to ye Determination of either (and that in situations of great Delicacy) a Question involving Property, and Character, and Happiness. In what Manner an evil of so great Magnitude is to be remedied, I presume not to say. But I will hint what I think ye great Outline of ye Business, viz: That in Favor of these who either cannot, or who, from conscientious scruples, will not pay for a License, there should be pointed out an unequivocal Mode of Publication; and that a License being a Dispensation from ye Notoriety of Publication, the officers issuing it should be accountable and should receive a Fee proportioned to ye Trust and to ye Vigilance required in it.

With Sentiments of Respect & Esteem,
I have the Honor to write Myself,
Your Excellency's very humble Servant,
WM. WHITE.

Directed: His Excellency The Governor.

REV. ROBERT DAVIDSON TO SECRETARY DALLAS.

CARLISLE, 2*d Jan'y*, 1796.

SIR:—I have taken the liberty of expressing a few thoughts on the subject of *Marriage* License. As it is optional with the people of the Society among whom I live, to marry either by License or publication, and the price of License has for many years been too high, especially for the middle and lower classes of people, therefor very little has arisen to the revenue of the State among us from this source. Certain I am, however, that if license can be had for one Dollar, as we are led to believe is now the case, such is the general dislike of Publication that by far the greater part will apply for license. If it be consistent with the laws of the Commonwealth that a clergyman should

be intrusted with blank licenses, to be filled up by him as occasion would require, and the Secretary would send me any number that he might think proper to make trial with, I shall engage & promise to act with caution & fidelity, giving an exact account of all that I dispose, forward from time to time to the Secretary (or otherwise as he may direct the monies thence arising.

With sentiments of respect, I am, Sir,
Y'r very h'ble Serv't,
ROBERT DAVIDSON.

[In December, 1747, the Assembly having made no provision for the defence of the City and Province, many of the inhabitants became alarmed and voluntarily entered into an association for defence. Companies were formed, which proceeded to choose officers, who, in turn, assembled and chose their superior officers, all being commissioned by the direction of the Provincial Council.—*Col. Records, vol. V, pages* 172, 174. The result of this movement is detailed in the message of Anthony Palmer, President, to the Assembly dated May 17, 1748: "The Province which very lately was in a defenceless state, is now, through the zeal and activity of some, who have the love of their country sincerely at heart, rendered capable, with the blessing of God, of defending itself against the designs of our enemies, many thousands of the inhabitants having voluntarily entered into the most solemn engagements for that purpose; in consequence whereof, arms have been provided, and every one appears assiduous in qualifying himself for the defence of his country. They have likewise at considerable expence, erected batteries on the River, so situated and of such strength and weight of metal, as to render it very dangerous for an enemy to attempt the bringing any ships before the city. We have granted commissions to such general and other officers, as have from time to time been presented to us for that purpose by the Association. Since these measures tend so manifestly, under God, for the security of this Province, the preservation of its metropolis, we think they justly deserve the assistance and encouragement of your House".—*Votes of Assembly, vol. IV, page* 72.]

OFFICERS OF THE PROVINCIAL SERVICE.—1755.

[" In the fall of 1755, after Gen. Braddock's defeat, there were several companies of militia sent into Northampton, and other frontier counties, to guard the inhabitants. Among the rest was one raised by Isaac Wayne, father of the late Gen. Wayne, with whom I entered as a volunteer, being then turned of sixteen years. Our company, with some others, rendezvoused at Easton, under the command of Genl. Dr. Benjamin Franklin, for some days, until the arrival of a New England Gentleman of the name of Clapham, who took upon him the command, and Dr. Franklin returned to Philadelphia. Soon afterwards we were ordered to a place called Canoteu Hatten (Gnadenhutten) a Moravian town and settlement, the inhabitants of which had all been murdered by the Indians. We erected a Stockade Fort there, to which was given the name of Fort Allen. The fall and winter were spent in erecting a number of Stockade forts on the frontier of Northampton county. In the month of February we were relieved and discharged."—*Col. Samuel Miles' manuscript, dated Feb.* 4, 1802.]

SECOND BATTALION.

["In the year 1758, the expedition against Fort Du Quesne. now Pittsburg, was undertaken, and our Battalion joined the British army at Carlisle. At this time Capt. Lloyd had been promoted to the rank of Lt. Col., but retained his company of which I had the command as Capt. Lieutenant, and was left some time in command of the garrison at Shippensburg. On my marching from thence with a brigade of wagons under my charge, at Chambers' about eleven miles from Shippens. burg, the men mutinied, and were preparing to march, but by my reasoning with them and at the same time threatening them, the most of them consented to resume their march to Fort Loudon, where Lieut. Scott was with eight or ten months' pay.

While the army lay at Ligonier, we were attacked by a body of French and Indians, and I was wounded in the foot by a spent ball. In November of this year, (Nov. 25,) the Army took possession of Fort Duquesne, under the command of Gen. Forbes; a poor emaciated old man, who, for the most part of our march was obliged to be carried in a horse litter. In the year 1759, I was stationed at Ligonier, and had 25 men picked out of the two battalions under my command, &c."—*Miles' manuscript.*]

"A LIST OF OFFICERS OF THE PENNSYLV'A REGIMENT, COMMANDED BY THE HON. J. PENN, ESQR., 1764."

[The officers of this regiment who had served under Col. Bouquet had, in 1764, at Bedford, made a written agreement to apply for a body of land; accordingly on the 30th of April, 1765, through a committee they made application to the Proprietors for a body of land within the Province. They proposed "to embody themselves in a compact settlement on some good land at some distance from the inhabited part of the Province where, by their industry, they might procure a comfortable subsistance for themselves, and by their arms, union and increase, become a powerful barrier to the Province." They further represented that the land thus far purchased from the Indians did not afford any situation convenient for their purpose, but the confluence of the two branches of the Susquehanna at Shamokin, (Sunbury now) did, and they therefore prayed the Proprietors to make a purchase and to grant them forty thousand acres of arable land on the West Branch of the Susquehanna. The purchase was made by Thomas and Richard Penn at Fort Stanwix (now Rome, New York,) on the 5th of November, 1768. On the 3d of February, 1769, the committee obtained an order allowing them to take up twenty-four thousand acres to be divided among them in distinct surveys on the waters of the West Branch. In March 1769, Samuel Maclay, for William Maclay, surveyed eight thousand acres of the grant in Buffalo Valley (now Union county); 6,096 acres were surveyed on Forks and on Chillisquaque creek, and 9,904 remained, the greater part of which was surveyed for them on Bald Eagle creek, commencing a short distance above the mouth, and running up to the town of Howard, in Centre county. It is not known that any of these officers settled upon their tracts except Lieut. James Hays who lived and died upon his location, and is buried in the Hays graveyard at Beech Creek, Clinton county. Major DeHaas' son moved upon his land early in the present century, and his descendants are very numerous both in Clinton and Centre counties.]

PAPERS

RELATING TO THE

PROVINCE OF PENNSYLVANIA

Prior to the Revolution.

"TRANSLATION OF DUTCH PRINTED PAPERS."

PHILADELPHIA, *the 29 of Sep'r*, 1741.

WORTHY FRIENDS & COUNTRY PEOPLE:

I of late saw a writing with Conrad Weiser's name subscribed, wherein he pretends to give you Honest and well intended advise how you ought to proceed in relation to the ensuing election, but from what I can see his intent is rather to cheat and deceive you; therefore, I thought it necessary to discover his mistakes to you and to forwarn you, that you may not be deceived by him to vour own, yea, to the ruin of this happy country.

It were to be wished that only such people in all Governments might be put in Commission as adhere faithfully to reighteousness & truth, and it is a pity when such are in commission, who are to be removed whenever they will not do what the Government Comands—then Conrad Weiser is our Countryman, and of late is made a Justice of the Peace, and therefore he ought to have ben Carefull in this his first Exercise, and ought to have said nothing but what is the truth; whether it was from want of care or from information that he says a difference arose above a year ago about the question whether it was right to pay tribute to Caser or not, and that the Germans had answered no, (to judge according to our works.)

The people in general of this province, both in the Assembly and out of it, are such obedient subjects to our gracious King that they never put such a question, nor desire to put any such, and the Assembly declared openly in their votes of last year that they thought it their duty to pay tribute to Casar, and they actually pay tribute to Casar, and resolved to pay to the Governor £3,000 for the use of the King, if he would not send away the servants who, by his encouragement, did inlist for soldiers; but the Governor would not hear to it, chose rather to send the servants away in ye King's service than to take the money, and the Assembly has paid to their masters above £2,500, besides what is yet to be paid; and some of the masters have lost a great deal, and were almost ruined by this acting & encouragement of the Governor's which was not the intention of the King, as appears now by the officer that inlists soldiers, who declared openly that he will not take any bound servants. It is, therefore, plain that the money that was paid for the servants was for the King's use, whereby he got so many men for his service,

(for these servants are in the King's service,) which is more, in proportion, than all the other provinces have paid.

From this, my dear Countrey people, it is plain that Conrad Weiser is deceived himself, (or which is more to be feared,) that whereas he is lately made a justice of the peace, he inclines to please the Governor that he may keep him in comission; and certainly how should he do otherwise, for many Honest men who have served their country in a Just & upright manner as Justices of the peace, have been removed in several parts of this province by this present Governor for no other Reason, that is known, but because they would not agree with him in taking the Masters' servants to the Hurt of their families, & because they, as Honest people ought to do, choose such Assemblymen as would serve their countrey truly to the best of their knowledge.

Seeing, then, Conrad Weiser in this case, which is so plain to every Body, is either deceived himself or otherwise undertakes to deceive & cheat his country people, how can one believe his word any further; he says further, that the Assembly had not given the Governor the usual salary, but the reason why he designedly conceals.

Here my Countrey people we may observe that the most part of the Assembly, which were chosen for these two years past, have been Assembly-men many years, and have given the Governor his usual salary; this present Assembly themselves have last year given the Governor £500 as a part of his yearly salary, and when they layd but two acts before him for his approbation he would not pass one of them, and so far as we know he complains of the great privilege which the people of this province enjoy, and he would willingly bring them to nothing. How could the Assembly answer it to those that choose them to give him more money (since he makes so ill an use of it) till he drops this design? Therefore, there ought to be no notice taken of this part of Conrad Weiser's complaints, for without doubt if we choose the present Assembly again, and the Governor will pass the acts that are prepared for the good of this province as the former Governors did, and will no longer use his endeavors to hurt people by his complaints to the great ones in England, then they will give him the same salary that the former Governors had.

It is true that many of our Mother's Countrey have retired to this for their safety & to enjoy the blessings of this Land, and Conrad Weiser himself must own that we found them ritely here. Why would he then persuade us to make an alteration which would produce no good, but, on ye contrary, might prove very hurtfull to us, and bring upon us such Burdens to escape which we left our own. It is also true that the major part of

this present Assembly are Quakers, but was it not so from the beginning, what hurt have we received of them, don't they appear to be good & peaceable neighbours, and made us partakers of such privileges as they enjoy themselves, both in Temporal & Religious affairs, before the last act of parliament was made?

It is certain that this Act of Parliament is to be looked upon as a particular favour for which we ought by all opportunity to show our thankfullness to his Brittainick Majesty, whose Subjects we are, but are there no other sorts of thanks than such as are prescribed to us by such men to whom we do not owe the same obligation? For it is to be observed, that before it was known last year whom our Countrey people would choose, all sort of people were permited to take their qualification, as well those that were used to swear as those that did not, and were made partakers of the Benefit of that act of Parliament; but since it is known that we will use our pleasure in the election, like other good subjects, to choose such men to represent us as we thought fit, but did not elect such as were recommended to us by the Governor's party, then some of them made objections in the Court that those that would, for conscience sake, shwear, should not be partakers with others of his Majesty's subjects of such privileges; but what can Conrad mean by saying that we should choose an Assembly that will make up the difference with the Governor? If the Governor is willing to make an end of them in a reasonable way, this present Assembly is best able to do it. They know the difference, and from whence they arose, but if the Governor is to have his will in an unreasonable way then we need no Assembly, and may be further in danger of choosing such superiors over us as may bring the same Slavery upon us, for which we fled from our Native Countrey. If we then will forfeit such valuable privileges it appears that we are not worthy of them, and if we do not beware of such Magistrates, none is safe, either in his estate or privileges; but as for the articles of the danger of a war with France, it is an unnecessary fear, the best and last informations say that the ministry are inclined for peace, and if it were not so, then Conrad Weiser speaks not as one that trusts in Divine Providence, by which we have been protected hitherto, and why should we be afraid now. Moreover, he will frighten us with the French, who are but a Handfull to us, and live a great way from us, and have a very troublesome road to us, and must pass through such warlike nations of Indians, which are at peace with us, and of whom they themselves have been afraid always in time of war.

Be therefore Careful, loving Countrey-men that you be not deceived & Misled, one single mistake in your Election is, per-

haps, no more to be set to rights. We see the Governor is very Carefull in the smallest matters in the government. If he don't like the Justices, then he removes them, and since it is the Chief point that the Countrey people have in the Government to keep things in Ballance, that unrighteousness may not prevail—that they have the Assemblys and Sheriffs to chose it, becomes us to look out for good men. What the Assembly did last year, shows they Carefully & diligently watched for our good; therefore, we have more reason to choose them again than another of which we have had no experience what they may be willing or able to do for the publick good of the publick; and, whereas, the Sheriff's office is of great importance in this province, and the very Chief Weight whereby all is moved & turned in the Courts, let us be Carefull in this part also.

I conclude with a hearty wish that you may be endued with understanding to see the snare that is layd for you, and that you may choose such men whose principles were always to pay tribute to Casar, and have a particular desire that peace & good will may be amongst us, and all men.

GOV. THOMAS' ORDER TO CAPT. HILL, KEEPER OF THE POWDER HOUSE.

25 *July*, 1745.

To Captain William Hill, Keeper of the Powder House:

WHEREAS, As his Excellency William Shirley, Esquire, Governor and Commander-in-Chief of his Majestie's Colony of the Massachusets Bay, has, by his Letter bearing Date at Boston, and 24th June last, signified to me that the Siege of Louisbourg had quite exhausted all their magazines, and desires that as it might be uncertain what further Demand of Powder there might be for the Majestie's Service at that Place, I would lay an embargo on all the Powder here and secure it for sometime for the Service of the present Expedition against Cape Breton.

I have, therefore, thought fit, by and with the advice of the Council, to lay such Embargo, and you are hereby ordered and commanded not to deliver any Powder nor suffer any to be delivered out of the Powder House to any person whatsoever within the Space of ten Days, or till my further Order, Hereof fail not at your Peril.

Given under my Hand and Seal at Arms at Philad'a, this Fifth day of July, 1745.

GEO. THOMAS.

WHEREAS, The danger to which this Province is exposed make it absolutely necessary to prevent the exportation of any gun powder, and more especially so, as a great quantity of ammunition was taken from the King's forces in the late defeat, and Col. Dunbar thought it necessary to destroy the most part of what remained. I have, therefore, thought fit, by the advice of the Council, to order and direct that no gun powder be suffer'd to be carry'd out of this province by any person, or in any manner whatsoever, and to render the said order more effectuall. you are Hereby required and Commanded not to deliver any gun Powder, or suffer any to be deliver'd out of the powder House to any person whatsoever, without my special order, for that Purpose, Hereof fail not, as you will answer to the Contrary at your Peril.

Given under my Hand and Seal at Arms at Phil'a, this Fifth day of July, 1745.

GEO. THOMAS.

INDORSED:—I think an order should go to the Custom house to prevent the exportation of gun powder & lead.

CAPT. WILLIAM TRENT TO GOV. THOMAS.

ALBANY, *October ye 21st*, 1746.

SIR:—I have made bold to draw a Bill on your Honour in favour of Cornelius Cuyler, Esquire, late Mayor of the City of Albany, for Twenty-four pounds sixteen shillings, bearing date the 21st of this Instant October, which is for Blanketts Mr. Cuyler supplyed me with for the use of the Company under my Command, which hope that your Honour will be so good as to pay, considering the circumstances we were in, we had received orders to march, the weather very cold, and nothing to cover the men, the consequences of which must have been the desertion of the whole Company. We have loss from the 4 Companys, since our arrival at Albany, between 60 and 70 men; 30 odd from Capt. Shannon, Twenty odd from Capt. Deimer & Perry, & one from myself, and the only reason they give for deserting is the want of Covering; they say they had better perish by trying to make their escape, where a few days will determine their fate than to stay where they are, where they are sure of perishing miserably, which has been the case of one of Capt. Shannon's men, who in crossing the mountains trying to make his escape, where the snow was knee deep, one of them got frost bit, and his Companions fearing to undergo the same fate, left him, where

he miserably perished. Sir, I have drawn another Bill on you in favour of Mr. James Stevinson, Merchant In Albany, baring the same date, which is for the remaining part of my Blanketts for Fifty-one pounds four shillings, & Capt. Perry desired me to acquaint your Honour that he has drawn on you for his Blanketts in favour of Mr. Derick Tenbrooke, present Mayor of Albany, for £64, & in favour of Mr. Jno. Schyler for £10 8s. 0d. Our march is put off till the arrival of Coll. Roberts from New York, who set out for there the day before yesterday, and is to be back in a few days. Mr. Cuyler, the late Mayor, desires me to give his humble service to your Honour, and acquaint you that he'll supply the 4 Penn'a Companys with Bread, if you intend to send them any more, & the hardness of the weather should prevent its coming, providing you'll let him know in time I conclude with due submission from the rest of the Officers as well as from.

Sir, Your honor's most obedient
Humble servant,
WILLIAM TRENT.

THE OFFICERS AT ALBANY TO GOV. THOMAS.

ALBANY, *the 12th November*, 1746.

HON'D SIR:—It's with great reluctance that we trouble your Honour, but as our duty and the good of our country requires it we must make bold to lay before your Honour our Circumstances. We have been making as neer a calculation as possible of our provisions & find, with the utmost frugality, we have not more meat than sufficient to serve till the 19th January, & as to our Bread & Rum, it falls far short of that time. We are under necessity of making application to your Honour, hoping that your Honour will take it into Consideration, as it will be just in the Dead Winter when our provisions will be expended, & if we han't more provided directly it will be impossible for us to keep our men together, as well as to send the Provisions up after the River is froze. We leave it to your Honour, not doubting of success, from the great Zeal your Honour has always shewn for the good of the service, we remain,

Your Honour's
Most obedient & most
Humble Servants,

"PROCLAMATION FORBIDDING PILOTS BRINGING UP ANY VESSEL CARRYING FLAG OF TRUCE ABOVE MARCUS HOOK."

WHEREAS, The coming of foreign Vessels under Sanction of Flags of Truce into port of Philadelphia without previous examination and a Licence obtained from this Government, may be attended with mischievous consequences, which may be prevented by laying the Pilots using the Bay and River of Delaware under proper Restrictions and Regulations; We have, therefore, thought it necessary to issue this our Proclamation herebyin his Majesty's name, strictly enjoyning and commanding all Pilots, Mariners and others, that from henceforth they do not presume in any pretence whatsoever to conduct, Pilot or bring up any foreign Ship or Vessel carrying a Flag of Truce, or pretending to come under a Flag of Truce, from our enemies, to any Port or place within this province, above that Tract of Land lying in Chester county, commonly called and known by the name of Marcus Hook, without our special licence first had and obtained, as they will answer the contrary at their highest peril.

CONRAD WEISER TO RICHARD PETERS.

HEIDLEBERG. *Aprile the 28th*, 1749.

SIR:—I hope these few lines will prevent the trouble of hearing a long storry, therefore I make Bold to offer them to you, the case is thuse: Old Heinry Smith, the Indian trader, some years ago Bought a small Improvement of one Hinary Teller and paid for it; soon after he agreed with one John Jones to let it to him for so much a year, and if the said Jones could pay the sum of 25 pound, Smith was to sign over the right he had of Henry Teller by a bill of sale; Jones paid neither rent, Interest nor Capital; Smith sold the place to one Adam Earlywine, the Bearer hereof, whom Jones suffered to take possession; and when Earlywine was busy with plowing, Jones went to Philadelphia to the land office and took out a Warrant for fifty acres and paid part of the consideration money, or perhaps all. Smith had neglected to take out a warrant. The place lies between other survey'd land, and all patented to about 80, or 90, or 100 acres, which has hitherto been vacant. The Bearer prays the

Improvement, with about 40 or 50 acres, might be granted to him in right of Heinry Smith, who has his bonds for 31 pounds for the Improvement, or if he must go off again, that Smith might be obliged to give up his bonds and somebody pay something for his trouble in moving to and from the place. This is all at present wherewith I trouble you. I hope you will pardon my freedom, who am.

Sir, Your very obedient,
CONRAD WEISER.

INSTRUCTIONS TO CONRAD WEISER, ESQUIRE, INDIAN INTERPRETER, FOR THE PROVINCE OF PENNSYLVANIA.

The Honourable James Hamilton, Esquire, Lieutenant Governor & Commander-in-Chief of the Province of Pennsylvania and Counties of New Castle, Kent & Sussex, on Delaware.

To Conrad Weiser, Esquire, Indian Interpreter for the said Province & Counties, Greeting:

The Circumstances of the Province requiring that more land should be purchased from the Indians, you are hereby instructed in the most prudent manner possible to sound the three Seneca Chiefs on this important Point, and if they show any favourable Inclination themselves, & give you any reason to believe that the overture will be agreeable to the Council of the Six Nations, you may charge them with a Message to the Council to be conceived in such Terms as by talking with them you shall think will be more likely to obtain success.

As ye whole depends on the Inclinations of the Indians, it is impossible for me to give any other directions than that you proceed with the utmost care & caution, endeavouring in your previous conversation with these Chiefs to apprize them of the necessity & expediancy of such a Purchase, so as to make ye fist motion come from them, and let * * * * before mentioned to be so in your Message for should the Indians discover that ye Prop'tys want to buy, & that they are the first movers, they would but be the more averse, and insist on higher Terms. You should likewise consider that the Lands to be sold should be of a proper Extent, not an insignificant part of ye Country, but such as will answer ye natural increase of ye inhabitants & ye multitude of foreigners, w'ch may be expected to come over now as peace is concluded. A regard should likewise be had to the situation of ye new purchase, as Encroachments are daily

making by Maryland and Virginia on ye Western Frontiers of this Province, and Grants it is said are applied for, w'ch may interfere w'th ye Lands of ye Province in those parts. I should be of Opinion that this new Purchase should extend so far West as to give the Prop'tys an opportunity of running their South & Western Lines, and securing their Lands there by making settlements in proper places. Whatever you do in consequence of this Instruction I enjoin you Imediately to send me an account of it, y't it may be transmitted to the Prop'tys by ye first Conveyance.

Given under my Hand & Seal at Arms, at Philadelphia, this 7th Day of July, 1749.

JAMES HAMILTON.

SIR WILLIAM JOHNSON TO GOV. HAMILTON.

MOUNT JOHNSON, *6th of April*, 1754.

SIR:—I cannot refuse you my friendly offices, not only in regard to your desire which has all the weight with me it ought, but in compliance also with my own Inclinations, as my Duty & Interest, both conspire to oblidge me to use my utmost endeavour to preserve the peace and tranquility of a Country where my Lott is fallen.

I hear the same distant Fame of you, which you are pleased to Compliment me with, and shall endeavour to preserve that Honour which may recommend me to the esteem of Men of that same character of which number I am convinced you are, and for that reason should be proud of your personal acquaintance.

Doubtless, Sir, I shall employ that influence over the six nations which I have acquired by hard labour, great patience and much expence, both of time & money, to preserve them, and prevent their being imposed upon by any stratagem, whatsoever. I have had some distant application made to me from Connecticut government, but none as yet immediate or of considerable importance. When their Representatives, for I am informed they have appointed Delegates, come to me I shall give them a proper answer, agreeable to ye Proprietary's Rights, which I understand extend to the beginning of the Latitude of 43. Nay more, our Interests are the same, and involved together, so that any encroachment would be equally detrimental to this Government and to yours, and destructive to the poor Indians, who, I am sure, have little reason to love or choose as Neighbours the Crafty Inhabitants of the N. Jerusalem, whose title to that Place seems rather derived from the subtilety of the

Serpent, than the Meekness of the Dove, to which last your Province is universally allowed to have a better claim.

The weakness of my Bretheren, the Indians, I am well aware of, and doubt not by my timely caution to hinder any sett of People not properly authorized to purchase any of their Lands, then they may help to save us from the Invasions of our encroaching neighbors, the French, as well as the sly insinuations of the pretended saints, our Friends & Countrymen.

am, with ye utmost respect,

Your Honour's most obedient Humble servant,

WM. JOHNSON.

ADDRESS FROM THE GERMAN PROTESTANTS—1754.

To the honourable Robert Hunter Morris, Esq., Lieutenant Governor and Commander-in-Chief of the Province of Pennsylvania and Counties of New Castle, Kent and Sussex upon Delaware:

The humble Address of the German Protestants, inhabitants of the County of Philad'a, and the adjacent Counties of the said Province, in Behalf of themselves and their Countrymen.

May it Please your Honour: We, the German Protestants, Freeholders and Inhabitants of the County and Counties aforesaid, of Divers religious Denominations, do beg leave to congratulate your Honour on your Promotion and Safe arrival to the Station of this Government.

Being very sensible of the Privileges and liberties we enjoy under the excellent Constitution of a Brittish Government, we know very well that we cannot give sufficient thanks to the Almighty for having conveyed us into such a Country and under so mild a Government, where the best Privileges in the known world are established.

The mild Government, the incomparable Privileges, the inestimable Liberty of Conscience and the just Administration of the excellent Laws so happily established, particularly in this Province by our worthy Proprietor, Will'm Penn, Esqr., a Lover and zalous friend of Liberty, of immortal Memory, and continued in his Successors, and so loudly proclaimed over the best Part of Germany, hath Drawn the Affection of a considerable number of Germans oppressed by arbitrary Powers and Slavery to transport themselves hither, with the promising hopes to embrace and be made Partakers of the Enjoyment of the famous Privileges aforesaid, who by the kind Reception and the actual and unexceptionable Admission to the Rights of born Brittains has been most firmly and heartily attached to his Majesty and the Crown of Great Brittain; whereby also the Inhabitants of this and adjacent Provinces have been augmented, the Lands cultivated, Trade and Commerce encreased to a flourishing Condition.

In consideration of all this and many other Advantages and Benefactions, we have partaken of the Enjoyment with our fellow Englishmen, allways thought ourselves very happy, and at all Times when any public Event happened within the Realm of Great Brittain, or any change of Governeurs, especialy in this our beloved Pennsylvania, we unanimously pray'd for the Blessings of God Almighty for our gracious King George, the Royal Family, and for a continual succession of the Protestant Princes of the same on the Throne of great Brittain, as also for our Honoured Governors arrived amongst us from time to time, although we never as yet attempted to do it in publick in that due Affection towards our Sovereign King and Governeur, which was entirely by reason of that said Nation of Protestants living so far apart, all over the Province, and hardly one cared to appear in publick in behalf of himself & Countrymen, for Fear of being looked upon as Audaciousness. Thus, the Case being stated, we sufficiently contented ourselves without appearing in

this Manner to signify our due Loyalty and Affection to our gracious Sovereign.

It might be possible that this our due Address would have also been intermitted at this time by reasons aforesaid, and no other, had not some Spirit, we will not determ what Name to give him, 1 Reg. 20. 21, 22, accused us very publickly both here and in England, of a secret Conspirace against our King and Government, which is no small Matter to Charge a Body of People with, and might perhaps, be detrimental to the s'd nation; a very hard Charge indeed to a number of People against which no such Accusation can be aledged with justice, and against which, in general, not one single Instance can be proved of any Disloyalty, much less of any Conspirace against our beloved King George and Country we live in.

This, your Honour would please to observe, is the only Motive and Reason that moved some of us to act in behalf of ourselves and Countrymen to congratulate your Hon'r publickly on your safe Arrival to the Station of this Government at this Time, and not to any of your hon'rd Predecessors before, as above said. And being very well acquainted with the Sentiments of a considerable number of German Protestants, Inhabitants of this Province, who all unanimously agree to all what is above said, excepting a few ignorant unmannerly People lately come amongst us, it makes us the more free to lay the Case thus open before your Honour.

How, therefore, can any Man of due Reason think, much less say that this same People were any ways inclined to submit themselves again under a Romish Slavery upheld by a French King? To the Contrary, we wish and pray, and the more at this critical Juncture of impending Danger, that God Almighty might rule our gracious King George and Parliament to find lawfull Means to defeat and frustrate all unjust Designs of the French King and all other foreign Princes whatever, wherewith they intend to disturb his Majesty's Rights; and we do hereby renew all true Loyalty and Assistance or Contribution to our King and Government, in such a manner as the Wisdom of your Hon'r and our worthy Assembly in Legislature, by the Constitutions of this Province, will find needfull & expedient.

Now, hoping confidently that our gracious King and Parliament is not moved in Displeasure against us by mere false Defamations, we entertain the good Confidence to your Hon'r, as a Lover of Justice and Equity, to assist your humble Servants in defacing such unjust Clamours at home in England, and we hope our Actions and loyal Behaviour in this Province will allways be a sufficient Prooff of our tender Affection to the Realm of Great Brittain.

And that the Almighty God may allways direct your Administration to his own Glory and the publick Welfare and confer upon your Hon'r's Person every desirable Blessing here and eternal Happiness hereafter, is the hearty wish and Pray'r of Sir, Your Hon'rs.

Most humble and dutifull Servants,

PASSPORT TO FREDERICK YEISER.

FRIDAY, 6 *June*, 1755.

The Honourable Robert Hunter Morris, Esquire, Lieutenant Governor.

To the Sheriffs, Justices, Constables and others, his Majesties Liege subjects within this Province:

These are to certify that the Bearer, Frederick Yeiser, is employed to, and to take care of, & carry a large Quantity of Cattle & Sheep for his Majesty's Service, to His Excellency General Braddock, at Fort Cumberland; and I do strictly charge and require you, each & every one of you, to be aiding & assisting to him in His journey, and that he may w'th all proper Expedition deliver the Cattle & Sheep at ye Camp where they are wanted.

COL. JAMES BURD TO RICHARD PETERS.

LANCASTER, 22*d Septem'r*, 1755.

SIR:—I begg leave to trouble you with this to lay an affair of myne before you, for your consideration. When the Commiss'rs went out to view the Roads in March last, they aggread

to take up five small tracts of land, not to exceed 4 or 500 acres each, provided such came in the course of our survey, which tracts was to be Ballotted for by the Commiss'rs, each to have one. Mr. Maxwell begged of us to take his son out along with us, (as he pretended, just to Receve the Benefit of our Company.) Accordingly we did take up five tracts, & Ballotted for them, and a place Called the Turkey Bottom, lying upon the forks of Junietto fell to my Lott. Mr. Maxwell's son mentioned that it was his Inclination to have a place, & the Commiss'rs mentioned a place to him which he seemed pleased with. I told Mr. John Armstrong that I would take out a Warrant for my place whenever I came home; but as you know I was but a few days at Home before I was ordered out to Cutt the Roads, I had no time to do it. Mr. Maxwell, it seems, took the opportunity of my being engaged in the service of the Roads & applyed for a Warrant for said Turkey Bottom, & obtained it. This he did by the information of his son, without ever letting me know anything of the matter. I was informed of it by Mr. Joseph Armstrong on the Top of ye Allegheny Mountain, who expressed his surprise at Mr. Maxwell's being guilty of such a Low action. I would not have troubled you at this time, knowing how much you must be hurried, but I hope you will excuse me, as I have the opportunity to Refer you for the Truth of what I relate to Messrs. Jos. Armstrong, John Smith, William Buchanan & Adam Hoops, & I shall procure you Mr. John Armstrong likewise, if thought necessary. Now, Sir, what I would begg of you would be to lett me know, with your conveniency, if my said Tract of Land is Recoverable or not, & by so doing you will very much oblige,

Sir, Your Most Obed't Serv't,

JAMES BURD.

To Richard Peters, Esqr.

LAWRENCE GROWDON TO RICHARD PETERS.

1st May, 1757.

DEAR SIR:—After having William Beles's name in the List of applyers sent up by you to the Govern'r, and having your Brother mark him for a Captain's Commission by ord'r of the Governor in Council, and your Brother promising me that his Commission and Beating ord'rs should be made out as soon as the Proclamation was published. I admire to hear that he is not in the list of Captains, and that you talk'd of procuring him a Lieutenancy, but that he remains yet in uncertainty. These Difficultys would have made me Quitt all further thoughts of a Commission, but he is so Bent upon the expedition that he now Comes to renew his sollicitations. If for reasons I am unacquainted with, it be thought not proper to make him a a Captain, I suppose a Lieutenancey's may be agreeable to him were that to be granted Imediately, (which I apprehend it cannot,) for his Circumstances will not bear a Long attendance in Town, which must wast the little stock that should be employed to fitt him out, Besides the servise is delayed, the men he expects to list with him will grow Impatient, and one after another go over the River and list in the Jersey's; So that he may at Last fail of raising his Company in the Time Limited. Forgive, therefore, my pressing you on this account, I am no Stranger to the Fatigues & Hurry attending you, but must nevertheless entreat you to assist him if it is in your Power, & if the Difficultys are not to be got over, that you will advise him to go home & think no more of it.

I am, with perfect Esteem, Sir,
Your affectionate Hum'ble Serv't,
LAWR. GROWDON.

The Honourable William Denny, Esquire, &c.

Mr. JAMES ENNIS:

These are to Certify that the Bearer, James Ennis, is employ'd by me to conduct to Winchester, in Virginia, three Indian deputies of the Nations, who have held a conference with

Sir William Johnson, and are now returning to their own Country accompanied with Mohawk —— Indian & a Squaw. And as they are friendly Indians and going upon Business of great Consequence to which requires the utmost dispatch, all officers, civil and military, and all other persons are hereby required to aid and assist them, and to furnish them with horses they may stand in need of for the performance of their Journey.

Given under my Hand and Seal at Arms at Philad'a, the 5th S'ber, 1757.

CHARLES MOORE TO RICHARD PETERS.

PHILA., 10 *Sept.*, 1757.

SIR:—'Tis true the Commissioners had resolved to erect some Publick Buildings on a Lot in the Commons of this City, not taken up; these Buildings were intended for Barracks to secure his Majesty's Troops from the Enclemency of the weather during the Winter Season. The Commissioners wou'd not have fixt on this Lot cou'd they have procured another, by any means convenient for that Purpose, so that they were, through Necessity, Obliged to fix on it; and they did not doubt, but upon paying the full value thereof to the Proprietaries, a regard to the Public welfare and the Health and Conveniency of his Majesty's Troops, would induce You, Cheerfully, to Consent to deliver up a Lot unimproved, vacant, and for which the Proprietors receive no value or Rent, for so salutary a Purpose. We now make you an offer to pay the full Price of that Lott, such as any three of the Proprietaries' Council shall think reasonable; and hope, as a Part of the Materials are now on the spot, the season very far advanced, and no other Convenient and Healthy Lot can be had, you will consent on the Proprietaries' Behalf to the above Terms.

By Order of the Board.

CHAS. MOORE, *Cl'k.*

TO RICHARD PETERS, Esq'r.

EMBARGO, 4TH JULY, 1755.

WHEREAS, *I have received certain accounts that* a large French Fleet with a considerable number of Land Forces on Board is arrived at Louisburg, and there being reasons to believe they have great Dependance on being supplied with Provisions from

the British Colonies in North America; I have, therefore, by and with the advise of the Council, thought Proper to lay an Embargo on all Ships & Vessels, intended to go from any Port or Place within this Province & ye Counties af'd, till my further Pleasure be made known, whose Cargo or any part thereof shall consist of Provisions, &c., Provisions, Warlike Stores or Ammunition; and I do hereby strictly enjoin and command all and every the officers of his Majestie's Customs w'thin this Province and the Government of the Counties of New Castle, Kent and Sussex, upon Delaware, that they do not under any Pretense whatsoever, permit for the space of one month next, ensuing the Date hereof, without my special Lycence and Permission, signified to them under my hand and Seal-at-Arms, any Ship or Vessel to clear out of their respective offices for any Port or Place whatsoever, that shall have on Board any more or greater Quantity of Provisions, Warlike Stores or Ammunition than shall be absolutely necessary for the use of ye several Crews of such Ships or Vessels in the Course of their intended Voyage.

ROBERT HUNTER MORRIS.

Second Embargo laid 30th Aug't, 1755.

COL. JOHN ARMSTRONG TO GOV. DENNY.

CARLISLE, *Jan'ry* 6, 1758.

HONOURED SIR:—Messrs. Stevenson and Armor, of York County, have warmly requested me to recommend to y'r Hon'r the Bearer, Mr. Geo. Davis, for an ensigncy in my Battalion, his Character in point of sobriety & inoffensive behavior is very good, his education & opportunity of life Considerable, being bred to the Profession of the Law, and admitted an Attorney in his Majesty's Court of Exchequer, in Dublin. On the other hand, duty oblidges me to inform y'r Hon'r, that upon querying this gent'n concernning his Constitution and the effects of a Sedentary life, he was candid enough to inform me he had been three Sundry times taken with fits, I suppose of the Convulsive kind, which I told him wou'd be a great impediment. I pity the man, but dare not recommend him otherwise than a short time on tryal as a volunteer. Mr. Provost Smith or Mr. Peters, I understand, will wait of your hon'r with this young man, and give a more circumstantial acc't of him; whatever is y'r pleasure in regard of him, will be very agreeable to me.

I inclose a letter lately rec'd from Capt. Hamilton which is all the news we have at present.

I shou'd be glad to see some friends east of Susquehannah this winter if you'll please to favour me with the Liberty of Absence a few weeks.

And am, Honr'd Sir,
Your Most Obed't
Humble Servant,
JOHN ARMSTRONG.

GOVERNOR DENNY.

"GOV. HAMILTON'S PERMISSION TO CAPT. SAM'L NELSON, TO COMPLEAT A COMPANY UNDER THE COMMAND OF GEN. SHIRLEY, AT NEW PROVIDENCE—1758."

By the Honourable James Hamilton, Esquire, Lieu't Governor & Commander-in-Chief of ye Province of Pennsylvania & Counties of New Castle, Kent & Sussex upon Delaware.

To Captain Samuel Nelson, Greeting:

WHEREAS, Application hath been made to me by General Shirley for my warrant or permission for beating up for voluntiers within the said Province & Counties to compleat the Company under his Command, & now doing Duty in New Providence; These are to authorize you by Beat of Drum or otherwise to raise, within the said Province & Counties, as many voluntiers as will fill up the said Company. And I do hereby require all officers, Civil and Military to give you, the said Sam'l Nelson, all the encouragement and assistance in the said service.

Given under my hand & Seal at Arms, &c.

JAMES HAMILTON.

MESSRS. BEATTY AND WALKER TO RICHARD PETERS.

WARMINSTER, *May* 6, 1758.

REV'D SIR:—As I understood by Capt. Walker that there was likely to be vacancy yet for an Captaincy in the Provincials, & that you was pleased to offer a preference to such as we should recommend, that was likely to answer the end, we are very sensible of the respect shewn us herein, & take the liberty to mention Mr. Hart, who has been mentioned among others before for a Commission, but was then undetermined,

but now is clear & very willing to serve his Country, we need say nothing by way of recomendation of him, he is known to be a person of prudence, Conduct & resolution, & doubt not of his filling that place with honour to his Country.

We are, Rev'd Sir, with great respect,
Y'r oblidged Hu'ble Serv't,
CHARLES BEATTY,
RICHARD WALKER.

P. S.—You'll excuse haste.

JUSTICE JOHN MILLER TO RICHARD PETERS.

WEST CALN, 8*th May*, 1758.

WORTHY SIR:—John Montgomery was with me last Saturday and told me that Sundry Young Fellows had been with him expressing their willingness to go out on the present Expedition provided he would go with them as their Captain, and apprehending that he may be of use to the present Cause, is free to leave his Wife and his All behind him, and venture his Life in the Defence of his Country. He is a very sober, honest Man, of a good Character & Estate, and, I believe, will have a good deal of Influence with his Neighbours to go into the service. He was a Captain in our former association way, and behaved to the satisfaction of the People; he will waite on you this week for the purpose aforesaid. David Clark, a son of my Neighbour, Thomas Clark, also offers himself to serve in some office in this Campaign. We are like to have officers plenty in these parts. David Clark is a sober young man, and, perhaps, may be of service; he was formerly an Ensign (I hear) in a Company in this county; he now waits on you. I am just seting out to meet some people in Lancaster county, in order to do all I can to get some to enter into the service, and am in haste, D'r S'r,

Your most obliged humble servant,
JOHN MILLER.

PROTECTION FOR MINISINK INDIANS TO ATTEND THE CONFERENCE AT BURLINGTON.

Whereas, His Excellency Francis Bernard, Esquire, Captain General and Commander-in-Chief of His Majestie's Province of New Jersey, has acquainted me that he is now sending Messages

to the Minisink and Pumpton Indians, residing in the Seneca Country, on the Waters of river Sasquahannah, or wherever else they may be found, inviting them to come thro' this Province to a Conference at Burlington, and has requested My Passports, safe Conduct and Recommendations, not only to those who are charged w'th the said Invitation, but to those Indians also who shall come in complyance therewith; whether they be conducted by the present Messengers or by Teedyuscung or any other known friendly Indians. Now, as I have it much at heart to bring about a general Peace between All the Nations of Indians and the subjects of his Majesty in these Colonies, and have laboured the same with all my might in Conjunction with Teedyuscung, the Delaware Chief, & the Nations associated w'th him, and I am firmly of opinion that if these Indians will comply with this Invitation, it will be greatly for their Interest as well as tend to promote the General & good work of Peace; I, do, in the most Solemn manner, by these presents, promise, engage and assure to all such of the Minisink & Pumpton Indians, as shall come thro' this province to Burlington, the place appointed by Governor Bernard for a Conference, my Protection, Safe Conduct & assistance, so that they shall be safe in their persons & be furnished w'th Provisions in their Journey. And I do hereby strictly charge and require all Commanders of Forts, & all other military officers on the Frontiers to receive & entertain the Bearers of these letters & their Company, as Friends and Brothers, and to accompany them with a good & sufficient Escort by Bethlehem & direct public Road to Burlington, whether they be conducted by Moses Tattamy or Isaac Stille, the present Messengers, or by Teedyuscung, or any other known friendly Indians who may be employ'd by him or them on this occasion, & who will, by their further security, carry a small linen Flagg, w'ch they are to shew when they come near any fort, or stockade; And I do further strictly charge and command all Justices, Sheriffs, & other officers, Civil & Military, & all His Majestie's other subjects within this Province, not to molest or hinder or in any wise hurt these Indians, but to be kind to them & afford them assistance & every proper thing they may stand in need of.

27*th June*, 1758.

COMMISSARY JAMES YOUNG TO RICHARD PETERS.

CAMP AT CARLISLE, 16*th July*, 1758.

DEAR SIR—When I came here Col'l Armstrong told me he had wrote to you concerning his Brother George, and that all was setled, and to Continue in the service; I therefore, gave Him his Major's Commission. Adjutant Anderson chose to be Lieu't of the Light horse; he has, accordingly, resigned his adjutancy, and is first Lieu't of Capt. Thompson's Troop, April 30th. Lieu't James Ewing, by order of the Gen'l. is adjutant to the third Batt'n, June 7th; Dehaas, adj't to the first, and Kern continues adj't to the second, by which you may fill up your list.

Some time ago, Capt. Stone complain'd of his Ensign, Charles Vanwarnisdorf, for which the Gov'r Superceed him and appointed Sam'l Montgomerie, in Stone's Comp'y, and by mistake of your Clerk, said Vanwarnisdorf stands in the list to Capt. Bull's Comp'y, whereas it should be Andrew Wekerberg; Stone, finding he cannot get the money which Vanwarnisdorf spent for him, but by keeping him in his Comp'y as his Ensign, has applyed to the Gen'l that he may continue. The Gen'l has taken his part, and says it is unmilitary for the Gov'r to Break any off. without a Court Martial. I had paid Montgomerie three

months' pay, so Vanwarnisdorf is a Supernumery and cannot be pay'd. I beg the Gov'r may set this affair to rights, so as I may be safe in the payment. Gov'r Sharp came here last night. No news, but all well at Reastown; the Artillery is at Shippensburg waiting till we go there. The news from the Northward seems to give a great Damp here; it was indiscreatly told by Robinson, the Express, which the Gen'l was angry at, as there is no certain and distink Acc't of that affair, which we impatiently wait for; 'tis said we march on Tuesday.

I am, with much esteem, D'r Sir,

Your most Obed't humble Serv't,

JAS. YOUNG.

RICHARD PETERS, Esq'r.

Given under my Hand & Seal at Arms at Philadelphia, this 20th day of July, 1758.

WILLIAM DENNY.

CAPT. McCLUGHAN TO GOV. DENNY.

To the Honorable William Denny, Esquire, Lieutenant Governor and Commander-in-Chief of the Counties of New Castle, Kent and Sussex, upon Delaware and Province of Pennsylvania.

The Address and Remonstrance of John McClughan, Captain of a Company of Foot, in the service of the said counties, Most humbly sheweth, that the said John McClughan held the Commission of a Captain of a Company of Foot, in the service of the afs'd Counties during the last campaign, & therein behaved himself to the satisfaction of his superior officers and without any just Cause of Complaint for any neglect or Breach of Duty, whatsoever. That after the Bill for raising one hundred and eighty men for the service of this year had passed the House, it was given out your Honor would Commissionate such officers to command the Troops afs'd, as had been in the Pay of the said Counties & behaved well the year preceding and after them, such persons as should be recommended by the Commissioners & Representatives of the respective Counties, to fill up the Vacancies which should remain, if any. For which Reason your Remonstrant did not apply for any Recommendation to your Honor or for a Commission, hoping he would receive an offer of it as well as the late Major Wells & Captain Gooding. But finding that was not done, he then, and not till then, suggested that his Character had been abused and his Conduct Misrepresented to your Honor, & upon making enquiry, found his surmise too true; Whereupon, on the eighth day of May last, he waited on your Honor with a Recommendation from the Representatives & one of the Commissioners of New Castle County, to beg that a proper enquiry might be made into his Behaviour, in every Respect, during the Continuance of his former Commission, but could not have the Happiness of speaking with your Honour at that time. He, therefore, waited upon Colonel Bouquet, under whose immediate Command and Inspection he served the principal part of the Campaign and afterwards to several other officers & told them his case, and had the Pleasure of perceiving that they all looked upon his Character as greatly abused and his Conduct misrepresented, & promised to do him justice as far as lay in their Power, for the regard they had to Truth and to his merit, without any other consideration.

That a few days after, he had the satisfaction of hearing from Mr. Secretary Peters that his Character was cleared from the aspersions it lay under, and that your Honor was so well pleased with his conduct, as to give him the first Commission of a Company of Foot, in the service of the Government of the Lower Counties on Delaware, and he, the next day, received the same accordingly with all due gratitude to your Honor, as

well for the pay he might receive from such a Commission, as the great kindness done to his Reputation, thereby.

That your said Remonstrant thereupon immediately returned to New Castle and applied to the Commissioners of New Castle County for money to recruit with, shewing at the same time his beating Orders and Commission, but was refused by one of them & told that all the money they had the Power of was dispos'd of or engaged to three other gentlemen who had beating orders in said County; notwithstanding, which Difficulty and many more your Remonstrant laboured under, & which, for the sake of Brevity only, he omits mentioning, he recruited in about eight days twenty-eight good men at his own private Expence, who were received and approved of by Mr. Commissary Young, and that in a Fortnight, or less time from the beginning, he is well assured he could have raised his whole Company had he not receiv'd orders by the s'd Mr. Young, from your Honor, to desist inlisting any more until it was k own what numbers were raised.

That your Remonstrant not only paid the af's'd Recruits, by him raised, the Bounty of Five pounds allow'd by the Government, but also to many of them his own twenty shillings, and to most of them half that sum, and by Way of a further Encouragement, & that the men might be the more speedily raised, he advanced to masters for their Servants and to Creditors for their Debtors, which he inlisted, the Sum of Forty-five pounds and upwards.

That on the 31st Ult'o, he received a Letter from your Honor, dated the 30th of the same month, wherein your Honor is pleased to inform him that his late application had thrown everything, with respect to the new Levies, into Confusion, as all the officers had beating Orders a considerable time before his application, & had actually raised their men; And, therefore, your Honor, in the most kind and polite manner, requested him to resign his Commission, as your Honor apprehended it was absolutely necessary for the Service of the Government, and on that Account only agreeable to you.

Your Remonstrant also receiv'd a Letter from Mr. Joseph Shippen, Brigade Major, dated the 9th Instant, informing him, "The Governor had been pleased to commissionate Messrs. Battle, Vanbebber, & Wright, Captains of the Delawar Government Companies, & that it was his Pleasure he should deliver over the men he had raised to the Captains Battle and Vanbebber, so as to Complete their Companies, as the Governor has ordered the Commissioners of the said Government to pay him for the raising these men—the Bounty, Subsistance, & Inlisting money agreeable to his beating orders."

Upon all which your Remonstrant humbly begs leave to observe, That, as he was a Captain the last year, and behaved well, which is Confirmed by your Honors giving him another Commission; As he is the only Person who held the Rank of Captain, the last Campaign, that applied to go this year in the Service of this Government, as your Honor was pleased to say such officers who had behaved well should be preferred this year and provided for before any others and also that the Representatives and Commissioners of each County should be permitted to recommend such Persons for officers as they most approved of, as the Representatives and Commissioners for New Castle County, never recommended any other person for Captain but him, the said John McClughan, as he is advised, as he was the first who had your Honor's Commission as such, as he had so many Difficulties to encounter, & notwithstanding raised so many men in so short a time, and for which he could have no other Inducement than the Honor of the Government and the hopes of meriting fully the Commission he had obtained from your Honor, and having an opportunity of reimbursing himself again and receiving the Bounty and Pay of a Captain during the Campaign as the other Gentlemen whom your Honor has appointed Captains, were all subalterns the last year, and Mr. Wright, Lieutenant to the s'd John McClughan, as his late application is fully accounted for, and Commissions in the army have been always granted during good Behaviour, your Remonstrant humbly conceive he has a kind of legal Right to your Honor's Favor and to have the Command of the Troops of said Counties during this Campaign, and that any of the other officers should rather resign than him, and therefore your Remonstrant humbly hopes that your Honor will be pleased to take the Premisses into your serious Consideration, and he makes no doubt but your Honor will still continue your Favor towards him and Do him that Justice your Honor must think he deservedly is intitled to.

And your Remonstrant will pray, &ca.

JNO. McCLUGHAN.

We, the subscribers, members of assembly, for the County of New Castle and Commissioners for the same, do most humbly recommend in the warmest manner, to your Honor, a due Consideration of the foregoing Remonstrance.

LIEUT. COL. HANCE HAMILTON TO COL. JOHN ARMSTRONG.

CARLISLE, *March 22d*, 1759.

DEAR SIR:—I Received yours of the 3d of February Past, wherein was Contain'd your orders for me to take the command at fort Bedford on the 15th of said month, Provided, that something Extraordinary were the matter with Col'l Work, whereby he Could not Possibly Perform that Duty, and in that Case, he was to send me notice and the reason of his Non-attendance. Now, Sir, the Reason of my not taking on me the command at the said Fort, at the time Appointed, was because I never Received the Least Notice from Col'l Work, concerning his Not taking on him the aforesaid Command.

I have also received yours of the 16th instant, wherein you Express your concern that did not go to Bedford agreeable to the order sent me, which I have answered above. I am also, in this, order'd Imediately to go and take on me the aforesaid command, but do Assure you I have been for some time past in a Low State of health and find my constitution so much Broke, that, notwithstanding my ardent Zeal for his majesty's service, I am forced to acknowledge my self unfit to endure the fatigue of another Campaign, and therefore, begg the favour of you in my Behalf, Humbly to request Leave of his honour, the Governor, for me to resign my Commission, for no other Cause or Reason, but Inability to be any Longer serviceable to my King or country in that station. Pray, Sir, Represent my Request according to your Better Judgment, and you'l much oblige.

Dear Sir,

Your Most Hum'l Serv't,

HANCE HAMILTON.

P. S.—Mrs Armstrong & the family are well.

CAPT. JAMES PATTERSON TO COL. JOHN ARMSTRONG.

HARRIS'S FERRY, *March 27th*, 1759.

HON'BLE COL'L:—I received the Message which you was pleased to send by Colonel Work to me, and am highly obliged to your Honour for the reguard you always retain for me and my Interest—a favour which I shall always with the most humble gratitude acknowledge. I must acquaint your Honor that I am in a

low state of Health, by reason of the great hardship and fatigue that I underwent the last Campaign, but I am in hopes that I shall overcome it in time, but as the Doctor assures me that if I do not take good Care of myself I shall loose ye use of my Limbs, I am afraid I shall not be Capable for some time of going out upon a new Campaign, but should be willing to Continue in the service, if your Honour would think proper to have me Stationed at some Fort or Garrison until I Came to my full strength and the use of my Limbs; and as I am acquainted with the ways & Humours of our Indians, I humbly Conceive I Could be of service to my Country if I was stationed at Augusta; all which I leave to your Honour's most wise Consideration, and so remain y'r Hon'rs most

Obedient humble Serv't,

JAMES PATTERSON.

P. S.—Yesterday I received an account from Augusta, that my Son was Come in there & has brought with him a lusty, able French prisoner, and that the Indians stood exceeding true & faithful to him. I expect him down as soon as he rested himself after his fatigue.

MINUTES OF CONFERENCES BETW'N GENERAL AMHERST AND THE CANAHWAY DEPUTIES AT MR. GRIFFITH'S.

At a Conference, on Tuesday the 10th April, 1759.

Present:—The General, Brigadier Gen. Stanwix, Col. Montreasor, Col. Robinson, Governro Denny, Governor Bernard, Gov'r DeLancey, George Croghan, Esq.

Deputies from Canhawaga:—Thomas King, Andrew Montour.

Thomas King, Speaker:

He repeated what was said in the Morning in the House, and also delivered by the General, & return thanks for it, said y't it was agreeable to them, they take the Speeches home & lay them before their Council, and did not doubt but they would be agreeable to them; that they had only in charge further to request of the General, who then had the Command to the Westward, that he would appoint a time & place when & where he expected to be met by the principal Tribes, & they would wait on him in order to concert further measures for the Campaign.

Thomas King, on behalf of himself & two other Indians who were at Easton, mentioned y't at that treaty they were promised

three Rifle Guns by the Gov. of Penn'a & New Jersey, they have been here a long time & have not seen these Guns, & now that the General is here they hope he will order them the Guns w'th a Little Paint & Horses to ride to S'r Wm. Johnson.

He gave a long white Roll w'ch was returned by the General w'th assurences y't they should have the Guns if to be got in town, or else y't S'r Wm. Johnson should deliver them ye Guns, and the Horses should be provided and a little Paint given them.

The General returned them thanks for their speeches, & said they were very agreeable, that a General was marching to the Ohio who would give them notice of the time of meeting as they requested.

Gov. Denny mentioned the answer of Gov'r Fauquar about * * * * in a full manner, reading Gov'r Fauquar's letter to ye Indians & making them a small Present with the Strings & Balls. Croghan, I think, advanced the Present. Mr. King was desired to communicate all this answer fully to ye Onondago Council.

DR. RICHARD WELLS TO RICHARD PETERS.

DOVER, *May* 12, 1759.

RESPECTED SIR:—Yours of the 8th Instant, I Received by Mr. Battell with your kind offer to serve me, had there been a Major to our three Companies; but as I went out a Field officer last campaign, I cannot reasonable except of only a Captain's Comm., this, of w'ch you will please to inform his Hon'r, the Governor. And your interest with him to serve my Friend, Mr. Battell, who best deserves preferment of any Officer under me, last campaign, for his superior knowledge of Military Discipline, his couragious and manly behaviour, rendered him very agreeable to me and much endeared him to all the officers in that Expedition that were acquainted with him. I am hopefull to receive your Honour's Order to return to Dutty. If not, that your Honour w'd be Pleased to Certefie that the only objection for my not Proceeding on this Campaign, is owing to my Late Indisposition, as my Credit Lyes at Stake w'th those Gentlemen whose Interest recommended me into these Services.

CAPT. JOHN HASLET TO RICHARD PETERS.

NEW CASTLE, *May* 15*th*, 1759.

REV'D S'R:—I hope your goodness will excuse this trouble, which I give you, from my Desire to serve the Publick; 'tis in favour of Capt. McClughan, a gentleman who served last year to ye Westward, but thro' the missrepresentations of some to his Honor, ye Governor, has been neglected this year; were he only an honest man be assured, s'r I would not imploy your time w't this, but that he was also a Good Officer I can get attested by all impartial officers of his acquaintance & can safely appeal to Col'l Bouquet in place of all others. I have conversed w't the Sheriff of the County; he assures me, none of their officers is so much liked by the men, nor so likely to raise a Company w't ye necessary expedition. Sev'l of the Magistrates & members of ye Assembly assure me y't were ye vote of their house to have any weight ye Majority w'd be of his side. I

again beg ye pardon for praying your Frei'dship in behalf of an Honest Man, who merits the place he held last year, & I can safely assert a Better, more than any two of ye Counties in which he served.

I am, Rev'd Sir,
Your most obliged,
Obedient Serv't,

NOTE.—I have ye pleasure to acquaint you I have completed my Company.

CAPT. JACOB ORNDT TO GOV. DENNY.

FORT AUGUSTA, *Sept. 17th*, 1759.

May it Plece your Honour:

SIR:—By George Doms, Shoamaker, I have Rece'd his patition To your Honour for fourter Residince here, & as your Honour is plese to Requist wherin he has offended, and my Displeshur to him, I must beg your excuess for giving a full Relation of his Conduct since my Recedince here, which was thus:

A short time after my arrival at Fort Augusta, the Petitionir, George Dom, Came to me & Desired I would permit him to go Down in the Country and purchis some necessaris his wife wontid, as she was near her time, which I permitid him to Do, but at the same time possitively forbid him not to bring up any liquer, furter then for his family's use, as I had your Honour's orders that no sutler should be permitted to Seal goods or Liquer here without your Honour's, licens; and he at the same Time Solmly promised he should not offer to do any such things, yet, notwithstanding the above orders & his own promise, he went to Tulpehokin, prifitly braught aquantity of liquers and clendestinely sold the same to the Soldiers, and at the same time Contractid with men to bring him about 40 galons more; the person agreable to there agreement braught up the liquear few days after. Mecomon's Store was lockt up, but when I got intiligind of there arrifel I order'd the men a halfe an hour

to Refresh themselfes, & then to Retturn with there liquer, & not to offer to Dispose of it to any body here; nevertheless, the above George Dom again Transgresed my orders by Purchis these liquer, & had them conceled in the woods till he had an opportunyty to convey them to his house, as he lives out sid the fort; and a few Days after these, Josaph Nutimus, an Indian, come to me and complained that the same night a soldier from the quarter guard came with a Cantin full of Wiske to his wife and Daughter to make them Drink and to Debuts them, and if they where used so here, they are obliged to leve there Wifes and Wifes and Children at home, and not to bring them Down any more; and a few nights after these, again the quarter guart was made Dronk & got a fiting among themselfs, and when serch was made for the liquer it was found by the said George Dom and a Soldeir, a beager. which livet in the beak house, besaids George Dom, I orderid the liquer to be braught to the barxde & Store it; a short time after, the s'd George Dom Desired he might go Down and buy some lather, as the Taner had Disapoindit him in Sending it up, when I again ordeid him not to bring any liquer up for use. Mr. Clark had the Store and was appoinded, but he Disregartid all orders and the welfare of the community, braught up a quantity of liquer and other goods from Reading. As soon as I was acquanitid of his arrifel and had braught up a quaintity of liquer again, I orderid him to Depart the garrison in Six Days' time. Before the exparation, a patition was presented to me, signed by some of the Soldiers in his behalf, to which I paid no Regard, as his offince had been so notorious, and when he found he must Depart the garrison he got the Inclosed letter write and was Drapt behind me as I pased to the gardain, by the content I apprehanded he intend to force a risedent by Raysing muteny in the garrison, and as soon as I had Read the letter I orderid the whole garrison under armes and told them I had your Honour's orders to prevent any person seling liquer to the garrison without his honour's license and asked them if they intended to Rais a Muteny to setle such vilain here to abuse the country by selling liquer to the guard to Disable them from there Duty, and said that I was astonised they should pretend to say they must suffer in not having there shoas mentid when there is three shoamakers in the garrison, being solders and had materials, & both made & mentid the Shoas for the garrison, and the s'd george Dom had behaved in so base a manner, I orderid him to leve the garrison the next Day, but permitted his wife to Stay til she was able to Travel and in these I think I have obaid fuly your Honour's order and Don my Duty.

And as there has been Severil familys here which wer not of

the garrison & levet here an had no promission, braught up for there support, and I could not learn that the where any service to the garrison, I have orderid them to leave these, for I have obsearved that they are more hurt to the countrey than binifet.

I am,

Your Honour's most
obedient Humble Servent,

JACOB ORNDT.

CAPT. CALEB GRAYDON TO GOV. JOHN PENN.

FORT AUGUSTA, *the 20th July*, 1764.

SIR:—I must now begg leave to return you my Thanks for your kind indulgence in stationing me at this Post by the Interposition of my friends. As the unsettled State of my private affairs in Philad'a wou'd not by any means admit of my proceeding on the Campaign at this time, otherwise I shou'd have been very far from requesting to have been left behind.

I have just rec'd a Letter from Philad'a intimating to me the greatest necessity for my immediate Presence there, otherwise I shall be in danger of becoming a considerable sufferer. Therefore I must begg your Honor's Leave of absence to go down as soon as it can possibly be thought convenient: And as Mr. Young is particularly acquainted with my presint circumstances, I refer your Honor to that Gentleman for a fuller Explanation of the necessity I am in of your further Indulgence.

Inclosed are the several Returns of this Garrison, and I must lastly begg Leave to inform your Honor, That a Day or two after the Detatchment marched from hence, a Heavy Rain fell and has destroyed almost all our Works, which has left us in a very defenceless state, as it is impossible for us to repair them again with so few men.

I am, with greatest Respect,
Your Honor's Most Obedient Humble Servant.
CALEB GRAYDON.

The Hon'ble JOHM PENN, Esquire.

VISIT OF JUDGE YEATES TO BRADDOCK'S FIELD.

PITTSBURGH, *August 21st*, 1776.

DEAR SIR:—We yesterday made a party to visit Braddock's Field. We went in a large canoe with six oars, fourteen persons in number. A platform was raised on each end for a place to sleep, and then hoop poles bent over about four feet in height on which blankets were stretched to keep off sun or rain. We were well supplied with provisions and refreshments. One of our companions played delightfully on a German flute; our time, therefore, did not pass heavily while we assended the Monongahela. We arrived at the Field in about 4 hours; we made a hearty dinner not far from the battle ground, near a fine spring—it was wise in eating before we visited the field, for I would have had but iittle appetite if we had pursued a different course. When we commenced our ramble our Hearts sickened; the skulls and bones of our unburied countrymen met our eyes, and we contemplated, in imagination, as an event but recently happened. Any person of common humanity would have experienced pain from the reflection that between five and six hundred brave men fell victims to the merciless savages. The marks of cannon and musket balls are still to be seen on the trees, many of the impressions are twenty feet from the ground. My indignation was greatly excited against the commander for the British amy, in suffering so many brave men to perish from an obstinate adherance to European rules of war. The observations I heard Sir Francis Halket made of the disasters of that bloody day and his filial expressions of affection to the memory of his worthy father, Sir Peter Halket, rushed to my recollection. My feelings were heightened by the warm and glowing narration of that day's events by Dr. Walker, who was an eye witness. He pointed out the ford where the

army crossed the Monongahela, (below Turtle creek 800 y'ds,) a finer sight could not have been beheld—the shining barrels of the muskets, the excellent order of the men, the cleanliness of their appearance, the joy depicted on every face at being so near Fort DuQuesne, the highest object of their wishes—the music re-echoed through the mountains. How brilliant the morning—how melancholy the evening! The Savages and French had hardly an idea of victory when they made the attack. Braddock appeared almost to have courted defeat. Against every remonstrance of Sir Peter Halket, Major Washington and others of his officers, he refused to let a man leave his rank; they fired in platoons against no object—how very dispiriting to a gallant soldier, they were shot down in whole ranks. The enemy observing the *infatuation* of the General, felt assured of victory, redoubled their exertions, and fired with such fatal precision as to cause our men to throw away their guns and run off in the greatest disorder. The officers in vain attempted to arrest their course—they were compelled to follow their example. How differently did they cross the river now—without arms, order or music, the hellish yells of the Indians, and the groans and shrieks of the dying and the wounded falling upon their ears. I will not pain you by a further recital, suffice it that the enemy pursued them no farther than the ford. The dead bodies of our troops were suffered to remain a prey to wolves and crows. When the English took possession in 1758 of Fort Pitt, a party was sent out, who buried upwards of four hundred and fifty skulls. Many have since been buried, and many remain as monuments of our shame. That the enemy derived any advantage from the ground, I cannot believe; their real advantage consisted in their mode of fighting and the blunder of Braddock. We returned home late in the evening; the music of the flute was delightful and solemnly impressive.

What a waste of blood and treasure has this little spot cost France, England and America. The prospects around here are most charming on the Allegheny and Monongahela, and the walks pleasant beyond description. I had often heard of the celebrated Fortress of DuQuesne in my youth—what is it now? A little irregular ground, a few graves, and the fosse of the Fort are only visible. I remarked the grave of Col. Clapham.

Fort Pitt stands 100 yards from Fort DuQuesne, fronting the junction of the waters. A garrison and guard reminds me that we are still in a state of warfare. May God grant that peace may soon be restored to us, and the Liberty of our country placed beyond the arm of Tyranny to reach.

Yours, &c.,

J. YEATES.

This day it blew very hard and was prodigeously cold, on this account I posponed the General Revew untill the evening; had a Generall Revew at 4 P. M., when I had all the armes & Ac cutraments Examined, and as I thought it Necessary to make a speach to ye whole Regement Publickly, upon the occasion of the time for which they insisted being Expired of some, and nigh expiring for the whole Regement. I accordingly spoak to them to the following purpose:

Telling them that I had a report delivered to me by Adjutant Allison of sundry men of in the Regement who said their times

of Inlistments were expired, and on that account had delivered up their arms & accrutraments to the officers in their respective comp'ys, & absolutely refused doing duty, which laid me under an obligation to talk to them thus publickly: Gentlemen & fellow Soldiers, I must first put you in mind of the Cause for which we were sent heither. Was it not for to maintain the Hon'r & Just Rights of our Glorious Sovereigne & the Protection of our Country? Did we not all seemingly, Chearfully Embrace this Opportunity of serving our King & Country? Have we not taken possession of this Ground, which is allowed to be a place of great Importance, & have we not maintained it, and built a strong Fort upon it, and has not these works been erected at a vast Charge to the Government, & would all this been done with no further view then to make a parade to Shamochan? Surely this can't be the Case. & would you, like a parcell of dastardly pultroons, abandon these works & leave the King's Fort with its Gates open to Receive the Enemys of the Crown of Great Britain? Why, mearly, because your times for which you was inlisted expired, & you are not obligated, you think, to do the Duty you owe by Nature to your Gratious Sovereigne & bleeding Country. For shame! forever shame! everlasting Infamy & just Reproach will attend you & all your Generations after you, was you to attempt to act such a base part—a part so unbecoming the Character of a Protestant Britain—a part that would give just cause to the last of your seed to Curse you. And lett me tell you Gentlemen, that I think the step already taken by a few of you tends nothing to your Reputation; on the Contrary, your delivering up your arms, &ca., to your officers without previously acquaint'g me and having my authority for so doing, is a great step toward mutiny, & I would advise you to be Cautious how you venture to persist in this unwarranted measure, and rest assured that at all event I will not suffer the King's Fort to be left without a Garrison to Defend it.

Now, Gentlemen, as I have laid the matter Clearly before you, I would have you rely, upon my Hon'r, that as soon as the Garrison can be releav'd with the Conveniency of the Government Regularly, there shall not one man of you be obliged to Continue in the service, whose time may be expired, unless you enter a new Voluntarily, & that you will Receive pay for every day you do duty in the service, & have a Regular discharge, & would have you all Consider maturely of this; & those of you that say you are ready free, to come to me to-morrow & acquaint me with your Conclusions; in the meantime, be very Carefull you determine to act Right, and don't attempt to pre-

tend Ignorance, as I have Publickly showed you the Consequences of a Contrary part.

This morning I was informed by the lower Centrys of the Palasades, that severall Indian hallows were heard over the River; detauch'd Capt'n Patterson, Lieuts. Garraway & Clayton, & a party of 40 men over the River this morning, at 8 A. M., after the Enemy.

Detauch'd Ensignes Brodhead & Miles with a small Reconoitering party of 12 men over the mountain by the spring, as I

have some Reason to suspect the Enemy lurking there from my observation this night.

11 A. M. One of the soldiers of the Bullock Guard brought me in 3 Indian spears they gott by a tree that supports the spout at ye spring, & the tracs fresh.

Ordered the Bullock guard in with the bullocks. I suppose these Indians, laying wait for the Centrys on the Bullocks, obeserv'g the Reconoitering party, went of so preciptantly they could not Recover their spears.

Ordered the Bullock Guard, under the Com'd of Serg't Major Falconer, to march Immediately to the top of the Hill on the other side the spring, and there lay with the party Conceal'd, untill he should hear Ensigne Broadhead attack, & then to march Immediately to his support.

Ensigne Broadhead returns with his party & reports that he came upon the Indian tracs fresh, & pursued, but Could not overtake the Enemy.

At 3 P. M. Capt'n Patterson, & Lieuts. Garraway & Clayton returnes with the party, & Capt'n Patterson reports that he saw first a great many fresh Indians' tracs between this & Gabriell's place, upon which he divided his party into three parts, one under his own Com'd, one under the Com'd of Lieut. Garraway, & one under the Com'd of Lieut. Clayton, that under Com'd of himself marching over the mountain, that under the Com'd of Lt. Garraway by the River, and that under Com'd Lieut. Clayton in the Centre. On the tope of ye Mountain in this Position the followed the tracs, Came up with the Enemy's fires at Gabriell's, but the Enemy had discovered them & fled before them; they saw severall of them on flats in the River. but having neither Battoes nor Canoes they Could not gett at them; ranged the woods round Gabriell's & marcht to Mahaneoy & returned home.

This morning at 9 the Battoes arrived under the Command of Lieut. Handshaw loaded. Mr Handshaw reports to me that he lay at Gabriell's place last night Contrary to his Inclination, being forced so to do by the battoemen who stopt here long before sun down and told him they would proceed no further; that the reason he heard of this determination of the Battoemen was that if they should arrive at Fort Augusta last night they knew the Major would dispatch them next day for Hunter's, but if they stayed there that night they Could not well be sent from Augusta before Saturday morning. Mr. Handshaw was under a necessity to order draughts from each Battoe tojo in the soldiers to make up a Guard last night, which the Battoe men absolutelyrefused, and behaved with great Contempt, during the whole Voyage, to Mr. Handshaw and all the officers; upon the party, upon their arrivall here, Complaint being made to me, I ordered three of them Confined.

27th, Friday.

Employed to-day as yesterday. This morning the Battoemen sent me a messuage acquainting me that they were coming to me to know the reason that Battoemen was Confined; I sent for answer that if they had anything to say to me they might send one or two of their number, but if they attempted to come to me in a body, I would, with my own hands, shoot the first man that approach'd; upon which two of their number came & told me that in their aggream'nt with Mr. Young they were to do nothing but work the Battoes; I gave them for answer that the present smalness of my Garrison laid me under a Necessity to do for the good of the service as well as I could; that if once the Garrison was reinforced the Battoemen would not have anything to do but work their Battoes; yet Notwithstanding they might Expect I would Insist upon it that the Battoemen should be subject & punctually obey the orders given them by the officers from time to time, (and as they had used the officers scornfully, and with great Contempt, I would now settle that point with them & Convince them of their Error.)

I likewise told them that they should not be allowed to dispute the orders of the officers upon party nor depart from their duty when at Hunters, Hallifax, Harris, &ca., without leave obtained from the Command'g officers of the party, that they should likewise obey the orders of George Allen, & that when

they rec'd orders they should Endeavour to execute them Immediately, and if they thought themselves at any time aggreaved, upon their arrivall at Fort Augusta, I should always be ready to hear them & give them Redress. I desired them to acquaint all the Battoemen with this my resolution.

28th, Saturday.

Employed to-day as yesterday. The two Battoemen awaited upon me this morning & acquainted me that the Battoemen desired them to acquaint me that they would do no other duty then work their respective Battoes, that they thought they had made a very quick trip, & that I might Continue them in this way or give them their discharges. I returned them for answer that I would do neither, & that I was fully determined to make Examples of all of them that I found Guilty of this piece of Mutiny; that if they Immajined I was under difficulty to gett Battoemen, they would find themselves in this much deceived.

I could not put this intention in Execution to-day without stoping the works, but I have ordered the Adjutant to Parade the Battoemen to-morrow morning, and to acquaint them of my orders to him, to desire all of them that was strickly willing to Comply with my Proposition to them of yesterday, to file from the others & parade by themselves, that he might return me a Roll of them as likewise of the malcontents.

3d, Friday.

Employed to-day as yesterday: Capt'n McKee delivered me an order from the Commiss'rs to deliver to every Indian man 4 pound poudder, & 16 pound of lead, and 1 quart Rum, which I told him I would punctually Comply with, as likewise Beaff & flour what they should want, while they Remained here, and ½ gill of Rum a man, twice a day; & at their departure what Beaff & flour they might want for their Journey.

Capt'n McKee told me that George Croghan had ordered me to deliver to two of the Indians 2 half barrels of poudder, besides the Commiss'rs allowance, which I Refused to Comply with, telling him that if the Govern'r or Commiss'rs had ordered it I should have Complyed with their orders: but that I would not Receive any orders from George Croghan.

The Indians are very well pleased w't the usage, & behave well & orderly, find'g they are obliged so to do.

5th, Sunday.

This day Mr. McKee advised me to call the Cheeffs of the Indians togeither at my house, and putt them in mind of their promise to the Govern'r at Lancaster, vizt: Of leaving 12 of their Familys to settle near Fort Augusta, which I did this morning, & delivered them a speach & string of wampum to the Following purpose:

Brethren of the Six Nations:

I am informed from your Brother Onas, our Govern'r, that you promised to him at Lancaster that 12 of your Familys would settle here & plant, & that he had sent Thomas McKee along with you to me to see that you was settled Comfortably to your Intire satisfaction; the Govern'r has ordered me to take Care of you & protect you, which I promise faithfully to your Brethern I will do to the outmost of my power; but I am this day informed by Mr. McKee that you purpose all to go away, & I desire to know your Resolutions & Reasons, if you have altered your minds.

Gave them the string.

The Indians Consulted together what answer to make me, & at last the speaker, Thomas King, stood up and spoke to me to the following purpose:

Brother Coroiago:—We never made any such promise as you mention to our Brother Onas; we never intended to stay here. Perhaps Ogohrodariho, Montour & Jo. Pippy might make some such promise, but if they did it was intirely unknown to us. We have all our friends & Relations at our Towns, and it would not be good for us to stay here & leave them there; therefore, we give you for answer that we are all going off to-day, & that none will stay here unless those that dye (meaning the sick People in the small pox) which they leave with me, & Recommend them to my care, & I promise to take care of them.

They deliver me back my string.

The Councell breaks up.

At three P. M. all the Indian Councellors waits of me & acquainted me they wanted to speak with me in Councell. I went of them accordingly.

The speakers gott up and spoack to the following purpose:

Brother Coroiago:—As our Brother Onas acquainted us that there would be a store of goods kept at Fort Augusta, that the Indians would bring down their skins here and be supplyed with what Necessarys they wanted, in order that they might do this with safety, they told me they would always come in Canoes and Come down the Midle of the River in daylight, that I might see them & know tnem to be friends, as their Hunters had not

flaggs, and they desired I might Receive them kindly, from time to time, & use them well, as they would always be Coming down the River, which I promised to do, & desired them to Rely upon my greatest friendship.

They took their leave of me, & I gave them 14 Gallons of Rum & Provisions, & Insisted that they should not drink any of their Rum nigh the Fort, but Carry it in their Canoes up the River which they said they would do, and we parted.

Employed to-day 21 men at the Bank, 14 the Cattle Guard, 12 with the wagon, 4 smiths, 2 sawers, 2 bakers, 2 in the Garding, 8 Carp'rs, 1 butcher.

This morning, at 10 A. M., arrived here our Fleet of Battoes; at 11 A. M. arrived three Indian men, one woman & one Children vizt: William Sack, George Sack, & William Taylor, Ogohrodariho's wife & Child. These Indians came here all Drunk;

the three men came from their Cabin, which they inform'd me was three miles from this, up the North branch; the woman went from this on Sunday with the main body of the Indians, & they would not inform me where she was come from. It surprised me a good deall to see them come here all drunk, knowing they had no liquor of their own, which led me to ask many questions, to which they would give me no satisfactory answer.

At 4 P. M., a party of Indians fired upon the Bullock Guard Centrys & killed one of them. The Bullock Guard attackt the Indians Immediately. In this skirmish sixteen shotts was Exchanged. I detauched three partys from the Fort to their support. The three Indians, Named on ye other side, went along with my partys; Indian William Taylor ran ahead of the foremost party, & kept hooping & hallow'g, & fired twice. The Bullock Guard had put the Enemy to the flyght before the other partys gott up. They pursued as did the partys, but could not overtake the Enemy. When the partys returned to the Fort, Indian William Taylor told me that he saw the Enemy & that they Called out to him, what, are you, Uncle, going to help the white People? After this he told me he did not see them and that he only fired for fun.

I ordered Lieut. Handshaw, Ensignes Broadhead & Patterson, to hold themselves in readiness to march after the Enemy with a party of Thirty men, upon which Will'm Taylor grew furious & swore he would go to his Cabin; he told me at the same time that the French were very good, and that we (meaning the white People) had settled the French upon the Ohio, & had gott money for it; that we had taken all the Indians' Lands from them, and that land on which Fort Augusta stands was theirs.

I suspected this Indian much; he attempted to gett off severall times, but I would not suffer him, least he should Carry Intelligence to the Enemy by which means they might waylay my party & Cutt them off; & I had great Reason to suspect this from the Behaviour of this Indian.

Mr. McKee told me it was his opinion that the whole Body of the Indians was a few miles up the North Branch, (mean those that came from the Treaty at Lancaster,) & advised me not to send the party this night.

I ordered the party under the Com'd of Lieut. Handshaw to march upon the Traes by break of day in the morning; & If he found them to be the above Body of Indians, not to fire upon them nor discover himself & party, but to vew them & return to Fort Augusta.

The man that was killed was Henry Worm of Capt'n Reynold's Comp'y; brought him home and buried him.

10th, Friday.

At 11 A. M. Mr. Handshaw returns, having executed my orders to him of yesterday & Reports that he Reconoitered all the mountains for 6 miles on this side of the North Branch, & then Crossed the River & Reconoitered the other side, & found beds & tracs of Indians, but Could not follow them.

At Noon Lieut. Humphreys arrived here with Ensignes Kern & Biddle & a Detachment of Lieut. Col'l Wiser's Battallion of 47 men; Mr. Humphreys delivered me his Instructions from Col'l Wiser.

This Detauchment is sent to Relieve the like Number on Duty here. I delay sending them a few days, as I have great Reason to suspect the Body of Indians mentioned before has an Intention to try to surprise the Garrison, as they saw our Numbers small when they were here.

At 2 P. M. Ogohrodariho & the other two Indians arrives from the west branch in 2 Canoes; they report a party of the Enemy had Crossed the River 17 miles up that branch, & they saw their tracs Coming towards Fort Augusta.

At 2 P. M. William Sack, George Sack & William Taylor, went from this up the North branch to their Cabin; at 7 P. M. William Sack, George Sack, & one Hencoak, a white man, arrives here from their Cabin. Hencoak Informs me he saw three Indians in white new shirts a Cross the River, & that about 3 or 4 miles above the Cabin there was a great many Indian fires, which he takes to be the Body of the Indians that went from hence.

I ommitted to mention in Thursday that one of the Bullock Guard Centrys told me that he saw the Indians before they fired upon the other Centry, & Could have shott severalls of them, but he knew them very well to be the Indians that went from this, & thought they were friends Coming to Fort Augusta; to this he is willing to be Qualified; this Centry was afterwards shott at twice by the Indians, and returned them five shotts, & wounded one of them badly, but he gott up & gott off; the Centry's name is John Ermon of Capt'n Weatherholt's Company.

11th, Saturday.

Employed to-day 50 men at the Parapett, 8 in the Gairden, 4 smiths, 2 sawers, 2 Bakers, 8 Carpenters, 1 Candlemaker.

I have been under a Necessity of hawling up the Battoes & Corking them all, & new paying them, as they are so laiky they wont sweem.

Ogohrodariho & the other two Indians told me to-day they spoak, three days ago, with 17 French Indians and two French men coming to Fort Augusta; but I suspect the truth of this.

George Hills, of Capt'n Reynold's Comp'y, says that he saw the Indians on Thursday last, & knew them well to be the Indians that slept at the middle fire place at Fort Augusta, & never mistrusted them untill they fired & shott one Centry through the arm, upon which he presented at one of the Indians who was stand'g with his brest to him ab't 15 yards distance, but his Gun snapt; to the truth of this he will be Qualified; he further says that he could have killed severalls of them as they past him, as they did not see him.

11th, Saturday.

Ordered a Generall Revew of the Garrison to-morrow at 4 P. M.

Great deall of Rain to-day; stopt the works.

I suspect William Taylor to be a spy.
